My dear Congressman Leland:

Your presence and speech last Friday at Congregation Brith Shalom has made a deep impression on me.

In particular am I deeply moved about your plea for help for the people in Ethiopia, and your commitment in their favour.

Please accept the enclosed check for \$ 100.00, to help you in your endeavour, to do something for these poor people.

I consider it a privilege, to be in the position to help.

Keep the good work up; and I hope to see you again in the not too distant future.

Merry Christmas,

Very sincerely yours,

Ernst Schaefer

Dear Congressman Leland,

The volunteers and staff of the Greater Houston Area Chapter, American Red Cross commend the leadership role you have taken in behalf of the Ethiopian people.

We have been involved in Africa for a number of years and we sincerely hope that through the efforts of people like you, and the generous donations of the American people that help will not stop here, but will continue long enough to help these suffering people.

We appreciate you bringing the agencies together.... because collectively we will solve special health problems and help alleviate human suffering.

Sincerely,

John W. McDivitt
General Manager
